

Dear Prospective Beneficiary,

For nearly 90 years, the Calvert Garden Club has contributed to our community in numerous ways, including the awarding of financial grants since 2013. The theme of our **2026** grants and all proposed projects shall be: **Conservation of Native Habitats in Calvert County.**

In order to become a qualified applicant, all the following requirements must be met:

- Applicant organization must be a charitable or non-profit organization with a 501(c)(3) status and an EIN
- Applicant organization must be domiciled in Calvert County, Maryland.
- Proposed project must help protect natural resources and encourage conservation practices in Calvert County, Maryland
- Submit completed grant application – 2 pages
- All grant funds must be used for the proposed project. The Calvert Garden Club will conduct a follow-up visit after the grant is awarded.
- The successful grantee must submit a report to the Calvert Garden Club by December 31, 2026, detailing how the grant funds were used and the project's status. The report can be emailed or mailed to the addresses listed in the application instructions.

Application submission instructions:

- Visit our website (URL below) and download the application documents (2 pages).
<https://calvertgardenclub.com/grants-projects-replacement/>
- Applications are due on **December 1, 2025.**
- Applications must be emailed by the date above to info@calvertgardenclub.com.
- Applications can also be mailed with a postmark no later than the date above. It may be beneficial to ask for hand cancellation when mailing to the address below:
